

**UW-Madison Undergraduate Certificate in Global Health Planning Sheet**

**Keep in mind:**

- 1) You must complete at least 15 credits, earning a C or better in each course.
- 2) Many students do not get into the fall NS 203 or the spring core courses until their junior or senior years, though we encourage you to try earlier.
- 3) You must fit in a field experience before your planned graduation date. Start planning this early!
- 4) Admission to most field experiences requires that you have completed at least one core course.
- 5) You are eligible to declare using the program’s online form once you have completed at least one core course (*completed*, not started!). Your GPA must also be greater than 2.0.

**1. CORE COURSES – Help you develop basic understanding of Global Health (6-9 credits). You must take NS203 and one other core course, but are encouraged to take all three, with 3<sup>rd</sup> counting as an elective.**

<i>Course Department, Number, and Title</i>	<i>Credits</i>	<i>Sem./Yr. taken or planned</i>
<b>Nutritional Sciences 203:</b> "Introduction to Global Health" <i>Required; fall; E; C; Soc. Sci.</i>	3	
<b>Population Health Sciences 370:</b> "Introduction to Public Health: Local to Global Perspectives" <i>Optional if taking 213; spring; I; C; Soc. Sci. or Nat. Sci.</i>		
<b>Medical History and Bioethics 213:</b> "Global Environmental Health" <i>Optional if taking 370; spring; E; C; Soc. Sci. or Humanities</i>		

**2. FIELD EXPERIENCE – See what working in a global health context looks like. Can be done internationally or domestically for 1-4 credits. Must be approved by the program, must be done for credit.**

<i>Course Department, Number, and Title or Project Description</i>	<i>Credits</i>	<i>Sem./Yr. taken or planned</i>
